Are you signed up to Media Portal?

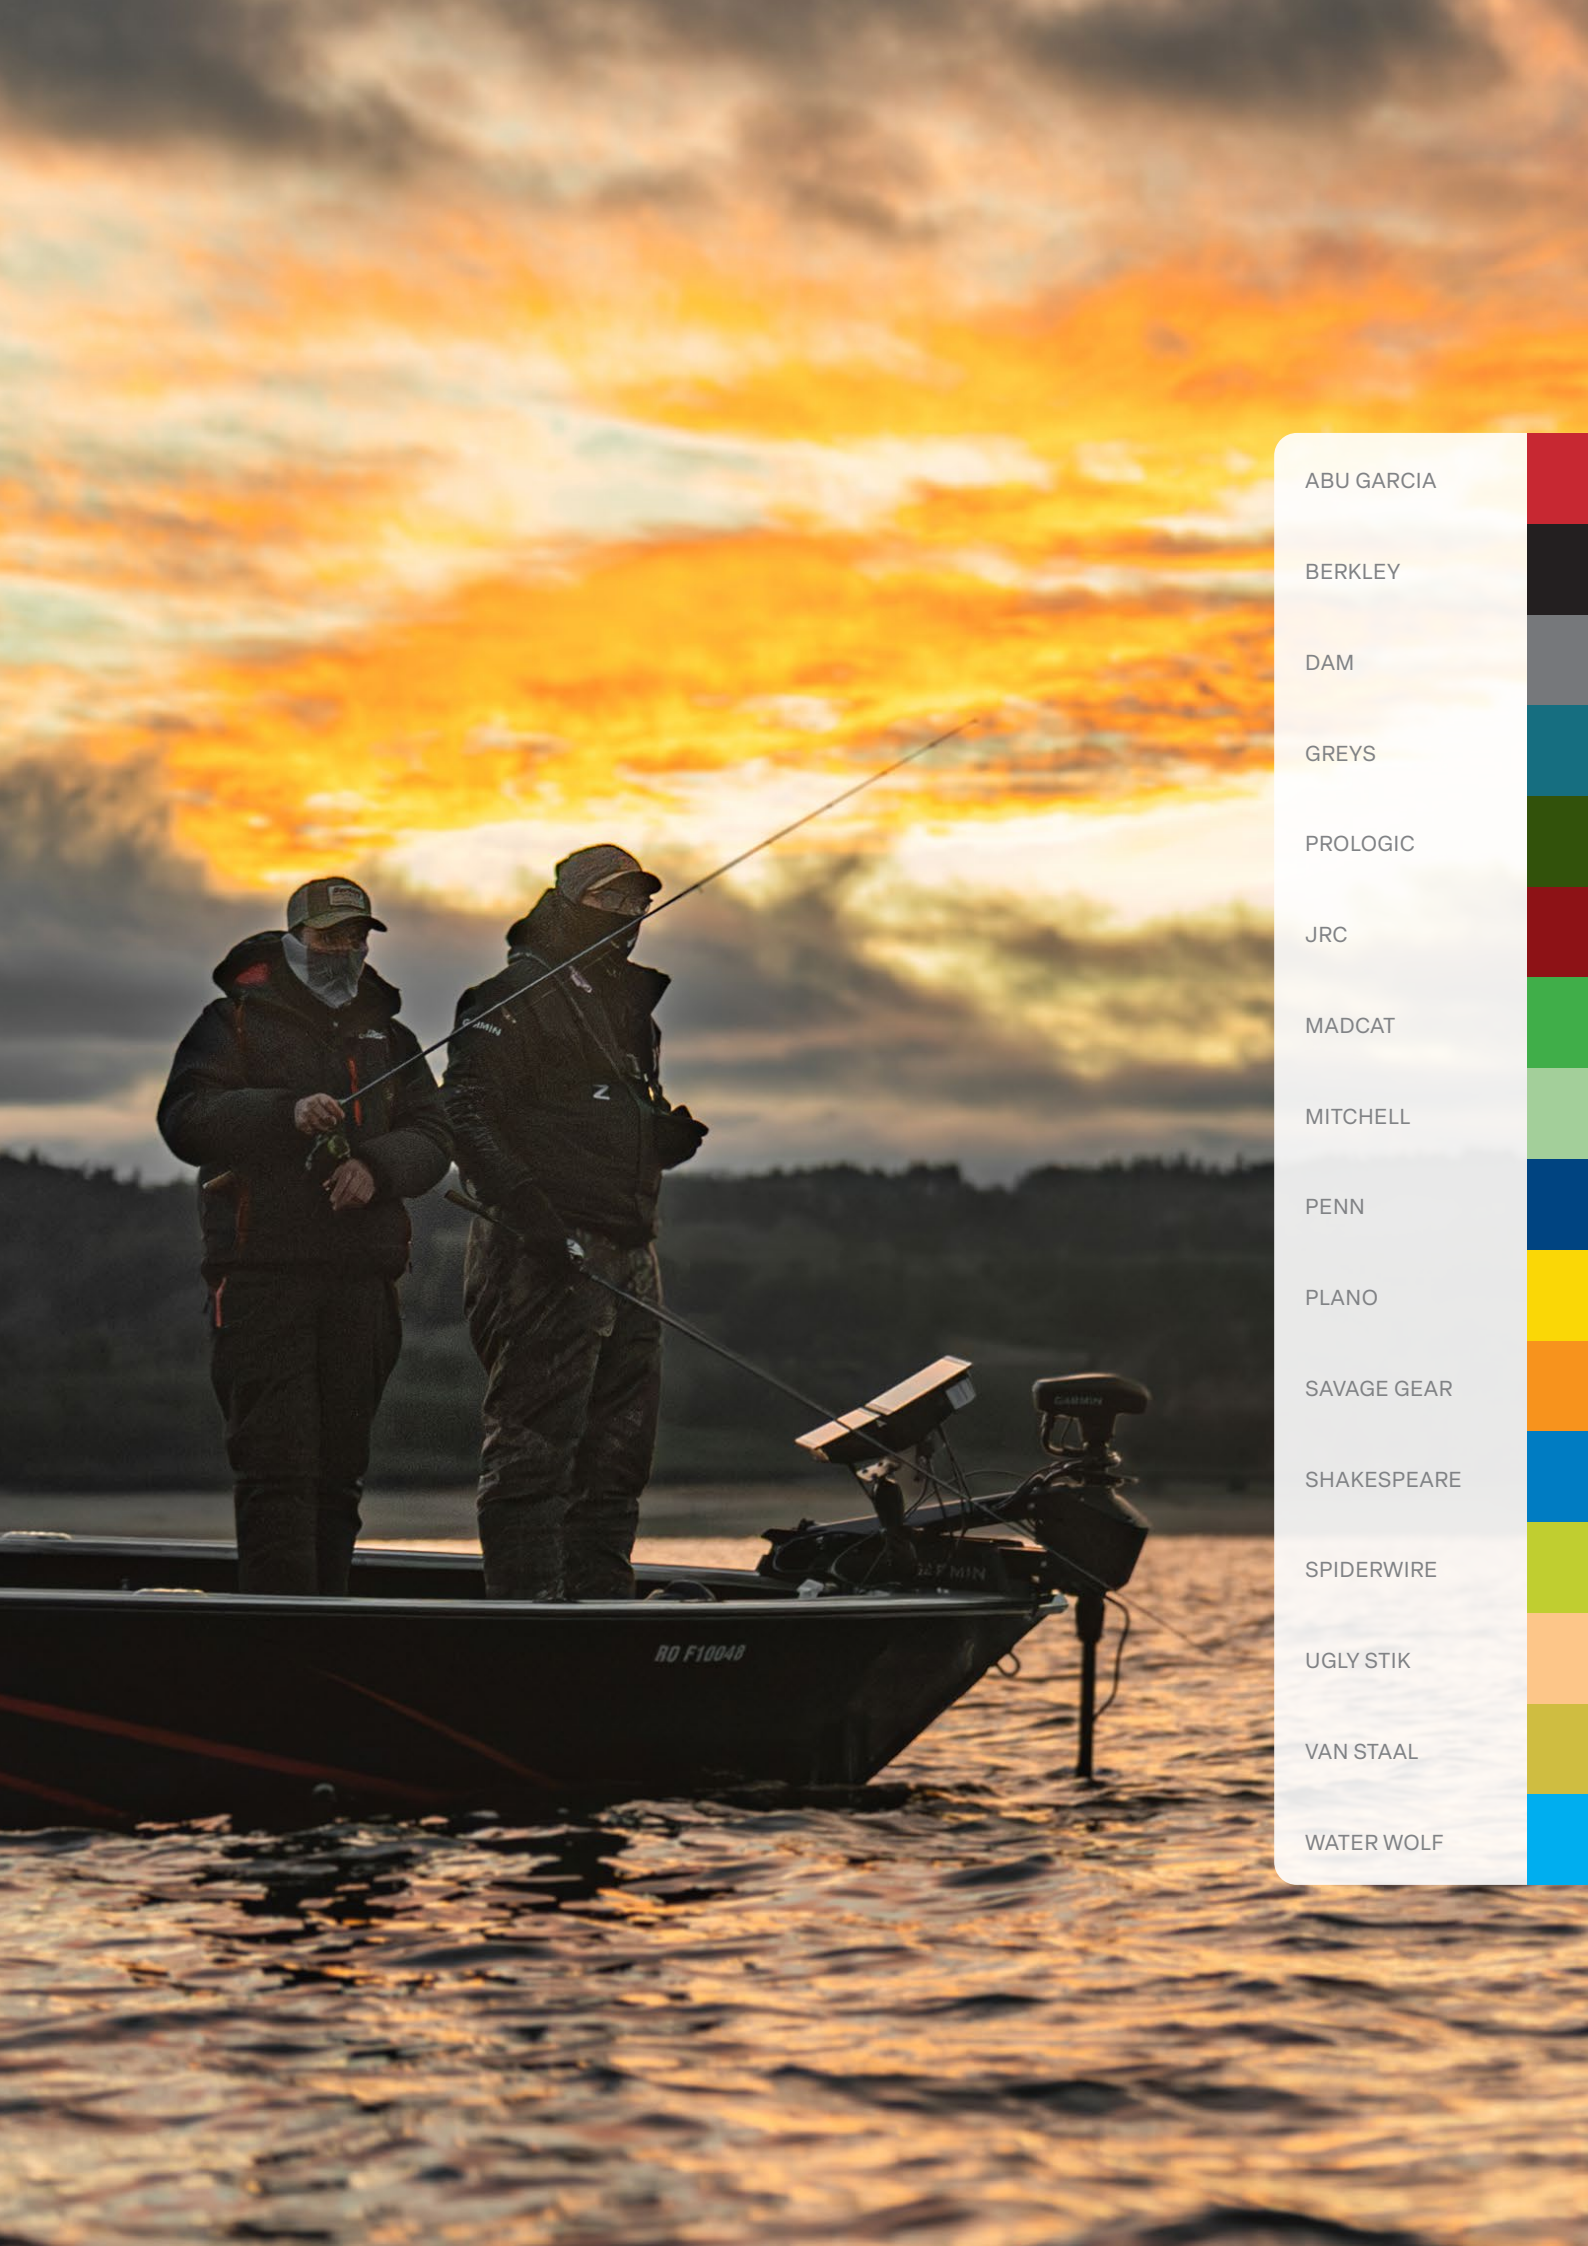

assets.purefishing.com

As a Pure Fishing dealer, you can sign up to access the Pure Fishing Media Portal. The Portal is an asset library we use to distribute digital assets and other media to our dealer network and other partners.

Once registered with the system you can access it from any computer with internet access. Use the Portal to find and download product images and video, lifestyle photography, logos and other assets for your projects in the various formats.

We are adding to the collection continuously, so the Portal is the best place to get up to the minute content to help you sell our products.

For queries regarding access to the Media Portal, please contact your sales manager.
